The Lellah is our most innovative double storey home design, providing flexibility to suit the needs of just about every family. Encompassing all things family, this beautifully designed home has been meticulously planned to create two independent living spaces in one home. Suitable for lots with a width greater than 12m, this four-bedroom home is the ultimate in open plan living with a dining area that extends seamlessly onto the alfresco. The downstairs guest bedroom with study nook and direct access to a powder/bathroom can be utilised as a teenager's retreat or a home office.

The Lellah 33 double storey home design is also available with a Granny Flat for dual occupancy and complete independent living. This design flexibility gives you the option of looking after older members of your family, or having a unique property investment.
