At ANSA Homes, we believe having bigger rooms is better than having more rooms, and our single-storey Eleanor design is the embodiment of this belief. Boasting four spacious bedrooms, each with their own built-in wardrobe and the master bedroom with a walk-in robe, space and space saving has been a major design consideration throughout.

At the heart of this design sits the oversized open plan living area. Kitchen, dining, living and alfresco areas are all in close proximity, making the Eleanor the ideal home for entertaining. For when you need a little me-time, the seclusion of the media room offers just what you need. For more information on the Eleanor, call ANSA on 1300 757 810, or email sales@ansahomes.com.au.
